Bring Liu Bei to the rear ....!!

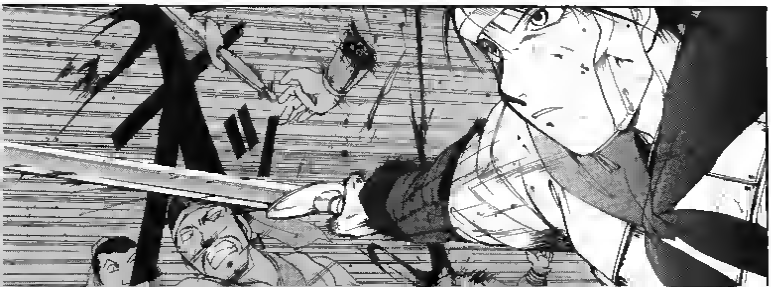
You damn brat!!

ランペイジ

Gahoh!
Stop him damn iiit!!
Honestly. If only Guan Yu were here...
Tch. Even if that weird beard isn't here...
A delicate man like that....
ﾁｯﾙ……

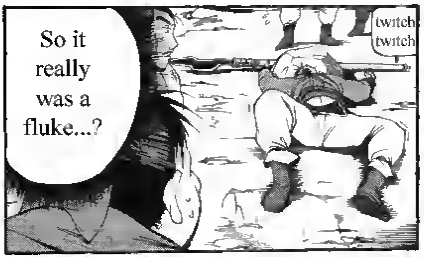
can be left to this Zhang Fei!!

Show him your fluke!!
Ooh! Show him the power of the infantry troop!



Gya--!
hm
!?
since he's swinging his swords around really wildly....
H-hey, I didn't notice from the distance....

He's using long swords!!
ヒュッ



So it really was a fluke...?
twitch twitch

Nnah!?

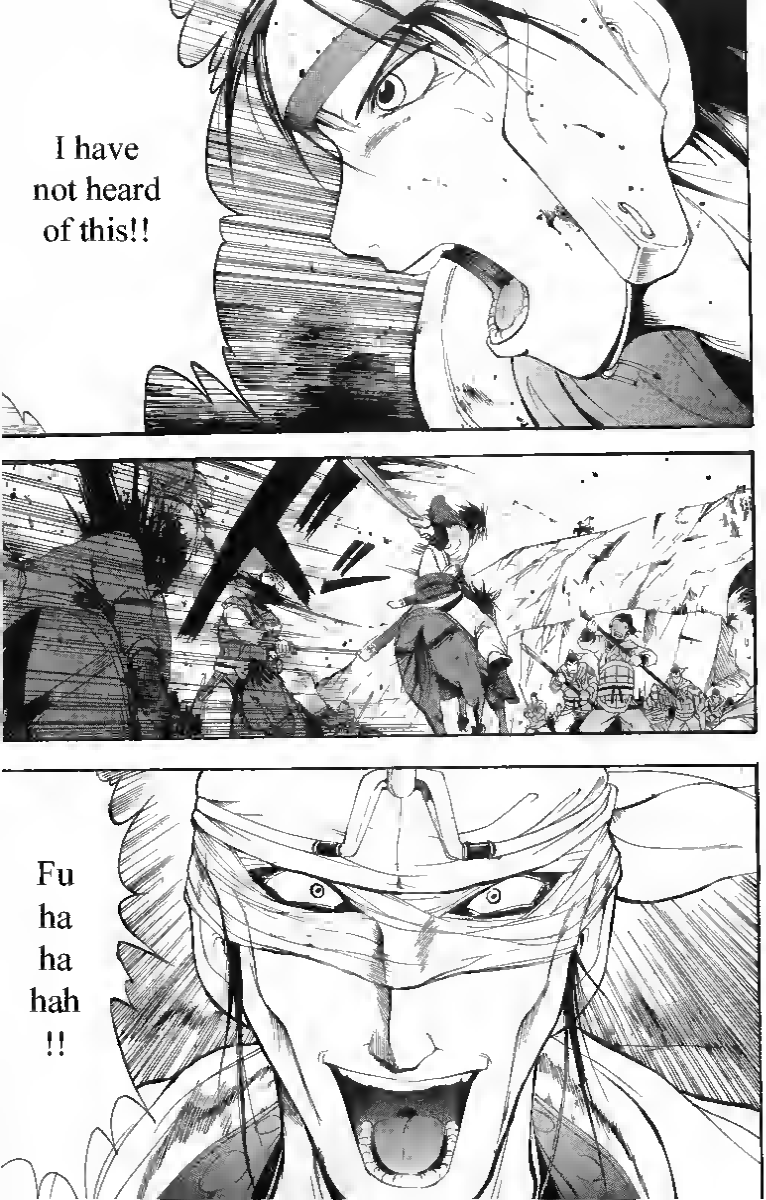
N...no.

Even though I hit his handle...
his spear is not even chipped....!?

Liu Bei... The vanguard has crumbled completely, we need to fall back!!
We cannot! If we do that, the new recruits at the rear will . They will be slaughtered by the two hundred Yellow Turbans!
Bu-but we have no other choice... At this rate your army will be annihilated!!
.....

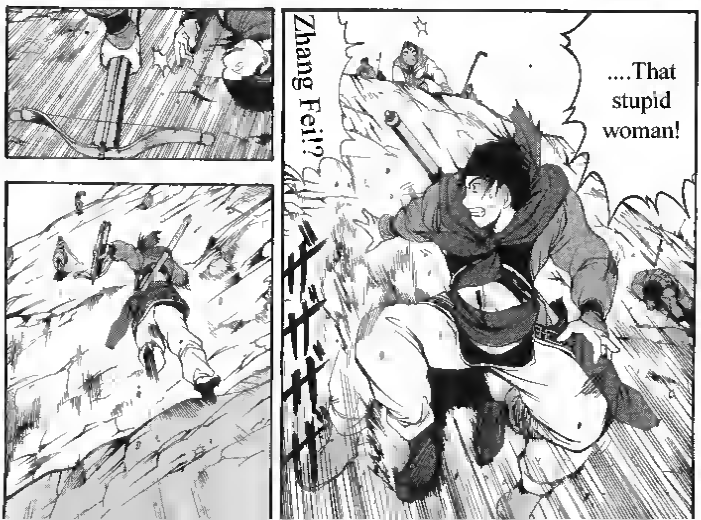
キッ
I will separate from the unit and attract the enemies attention!!
Men, follow Jian Yong and head for Yingchuan !!
W-what!?
Liu Bei!?
Those who do not follow my order will lose their head!!
General Liu Bei!?

Ge-general Liu Beiiii!!
Yellow Turbans, Liu Bei is this way!!
!?
Hey, is it Liu Bei!?
There is no doubt about it!
Follow him!!
Wa-wait, isn't that general Liu Bei!?
We-we're saved.
The Yellow Turbans changed direction !?
What...!?
It's almost as if he's acting as bait. Is he luring us away from his men...?



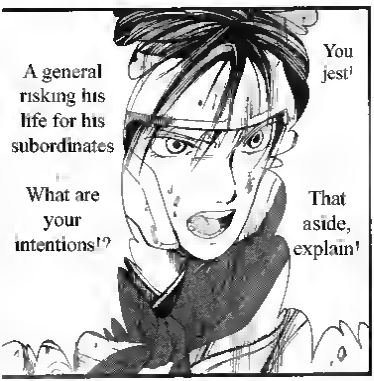
I have not heard of this!!
Fu ha ha hah !!

Naive! He is too naive!! Why does my elder brother fear him!?



....That stupid woman!
Zhang Fei!?

Liu Bei
...!!



A general risking his life for his subordinates
What are your intentions!?
You jest!
That aside, explain!

You are excellent with the reins. How about you join my army!?
To think you caught up to my horse so quickly...

That is all .. Is it weird?

I do not wish to see the men fighting to protect me to die in vain....

I had heard that Liu Bei was the general of a righteous army but.... does this man not... have any motives!?

I can't believe it..!! For their motives, commanders can throw away the lives of hundreds of thousands of subordinates without caring even the shghtest...

are you!?

Just who...

Liu Beiii!!

No, Zhao Yun will not waver on the battlefield!
Give me your head instead of your nonsense !!
パシュッ!!
Ah ッ・!!

Shen!!
Die, lover-boy!
Get on!!
Geh ...!
Go!!

Fuwoooh!!
Even though he was shot at such a close distance... Unfathomable....
.....

Shit ....
..that ass reacted.

FFFFF
You did well, Shen, Zhang Fei! We're retreating!!
.... yes sir.
Liu Bei, of course. Go!!

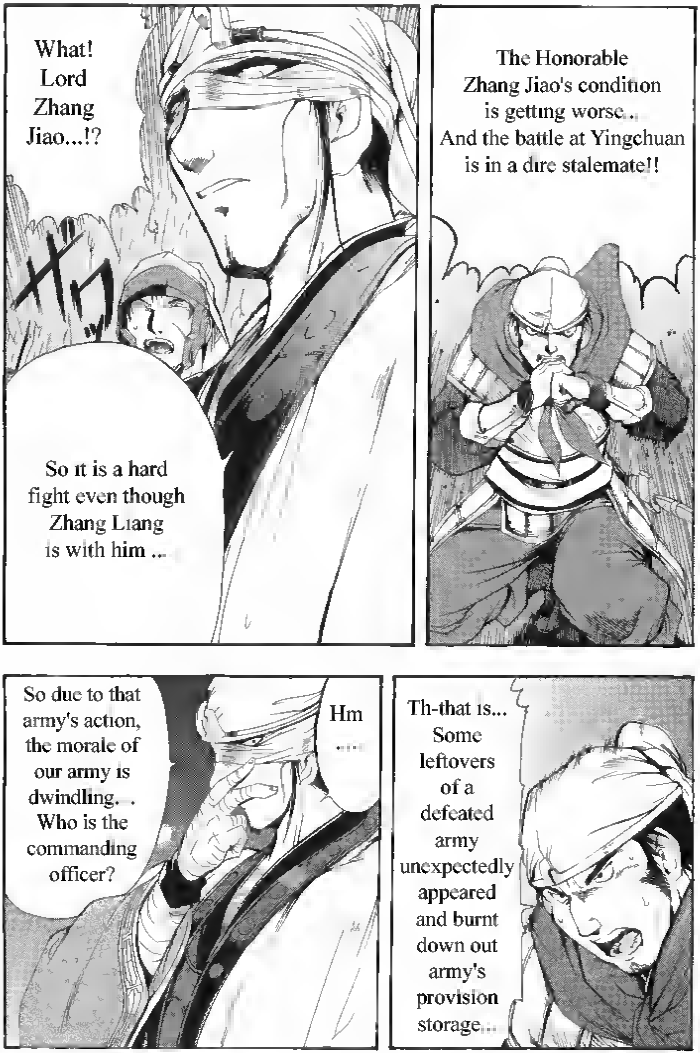
Aaah~~~?
Why is it only me, Jian Yong!
ドドドド

Shhh! Zhang Fei, come over here
Is it alright if we don't look for Liu Bei ~~~~?
The only ones who knows the truth about Liu Bei are me, Guan Yu and you....
Aッ
.....
Protect that child.

.....
?
Liu Bei has been shouldered with many fates... She is a poor child..

Yellow Turban Rebels Zhang Bao's camp.
Honorable Zhang Bao! We have recieved a message from Honorable Zhang Liang!



What! Lord Zhang Jiao...!?
So it is a hard fight even though Zhang Liang is with him ...
The Honorable Zhang Jiao's condition is getting worse.. And the battle at Yingchuan is in a dire stalemate!!
So due to that army's action, the morale of our army is dwindling. . Who is the commanding officer?
Hm ....
Th-that is... Some leftovers of a defeated army unexpectedly appeared and burnt down out army's provision storage...

Cao Cao huh... He is one of the Qingliu bureaucrat's that our Yellow Turbans have failed in convinceing to join our cause several times
...he is renown for having gathered many members for the loyalist army, and he is very dangerous...
A man called Cao Cao or something of the sorts, and his troops are all fully equipped!

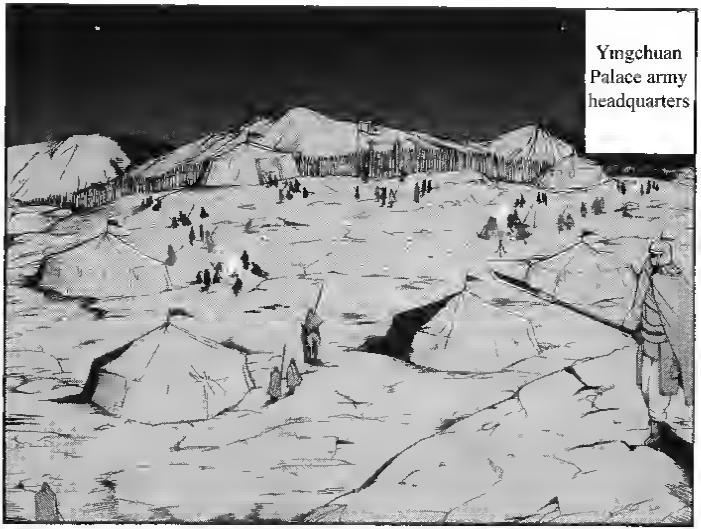
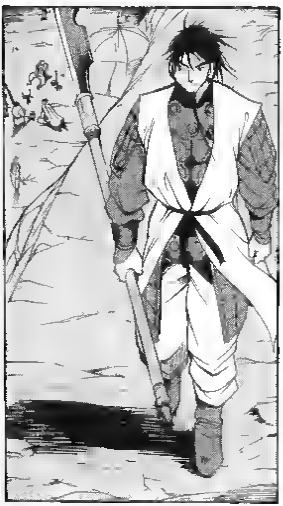
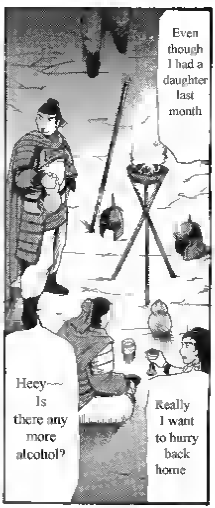
Ho-however, what of the search for Liu Bei...!?
...alright, I will go and lend them a hand .
We can leave that to Zhao Yun...
...if it's him... there is no need to worry about betrayal....!!



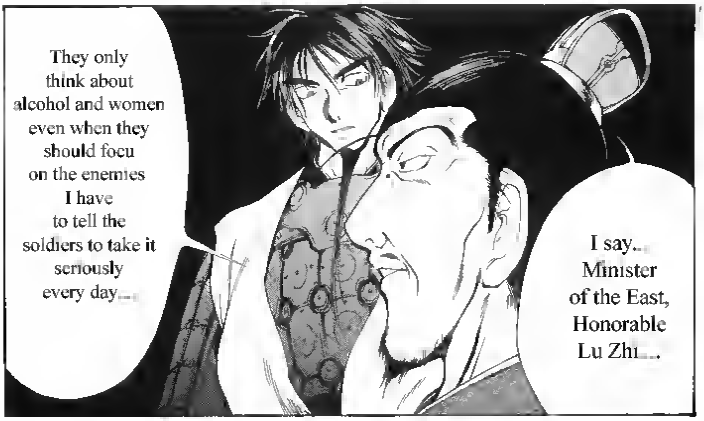
Yingchuan Palace army headquarters

We sure have a disorderly crowd, don't we, Honorable Guan Yu

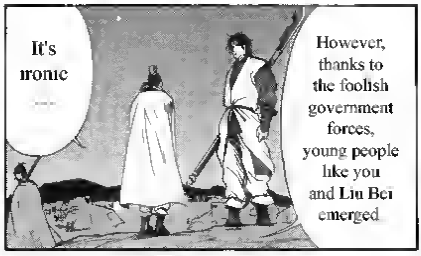




Even though I had a daughter last month
Heey— Is there any more alcohol?
Really I want to hurry back home



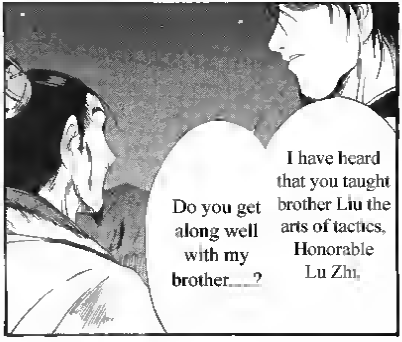
They only think about alcohol and women even when they should focu on the enemies I have to tell the soldiers to take it seriously every day...
I say... Minister of the East, Honorable Lu Zhi...



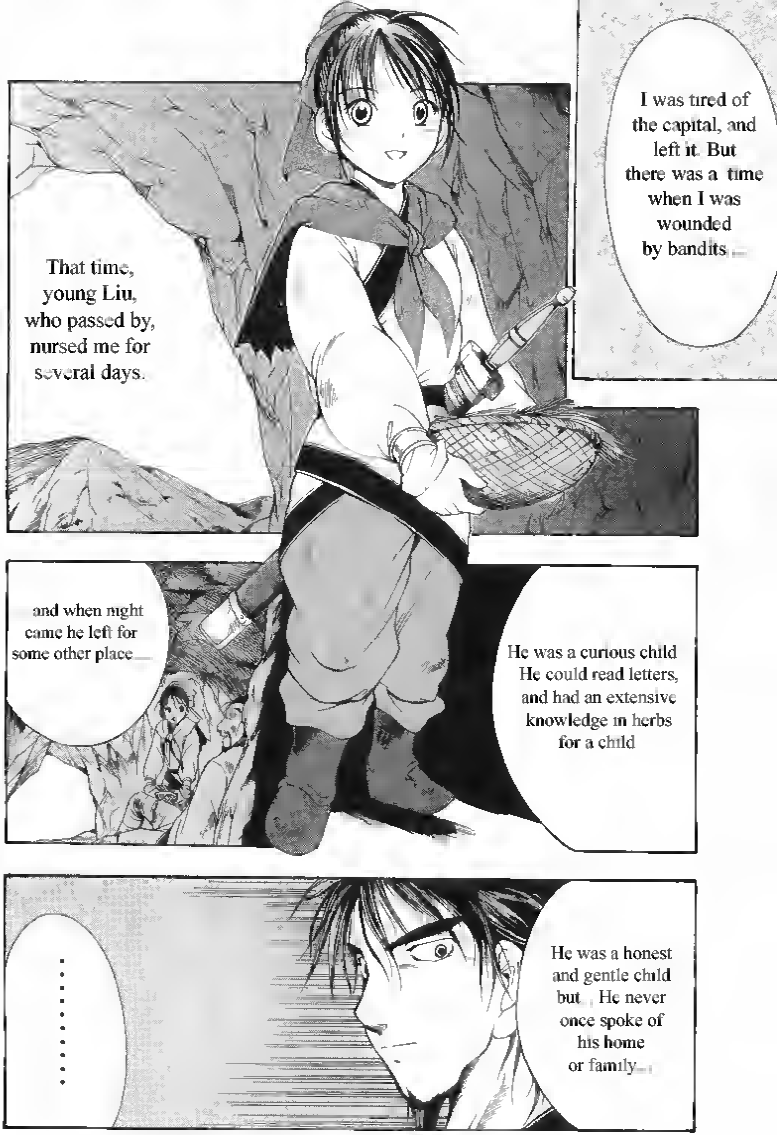
It's ironic ...
However, thanks to the foolish government forces, young people like you and Liu Bei emerged.

.....

...hahaha. It must be ten years since I first met young Liu...



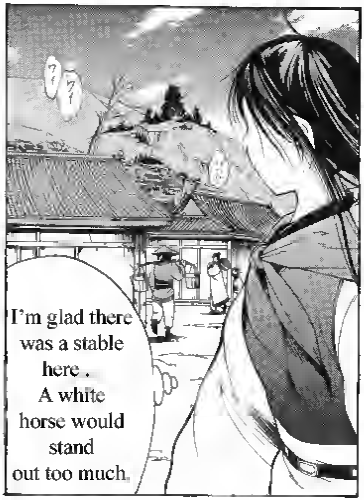
Do you get along well with my brother...?
I have heard that you taught brother Liu the arts of tactics, Honorable Lu Zhi.



I was tired of the capital, and left it. But there was a time when I was wounded by bandits...
That time, young Liu, who passed by, nursed me for several days.
He was a curious child. He could read letters, and had an extensive knowledge in herbs for a child.
...and when night came he left for some other place...
He was a honest and gentle child but... He never once spoke of his home or family...
.....

Fuh...
I see
I see
While he nursed me, he read the Art of War and other strategic books with incredible enthusiasm
You taught him strategy at that time?
Ha ha ha...
I thought he was in no state to step onto the battle field, though...
My brother will one day... definitely become emperor.
...the battles are my job!
...might not be bad....
Oh. Young Liu as emperor...

I need to reach Yingchuan as soon as possible...!!!



I'm glad there was a stable here. A white horse would stand out too much.
